DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 3, 2004 has been entered.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: claims 53-82 have been found to be allowable since the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of a stage apparatus, a corresponding exposure apparatus and method having a first optical unit, a second optical unit and a third optical unit for measuring the position of the stage with particular arrangement of these elements as recited in the instant claims. Applicant's arguments filed August 6, 2004 are deemed persuasive and incorporated herein by references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
